Funds are awarded on an annual State Fiscal Year (SFY) basis and dependent upon availability of funding. The State Fiscal Year starts on July 1st and ends on July 30th of each year. Unused funds from one year will not be automatically carried forward (re-awarded) to the next year.

Source and Purpose of Funds

The State of Nevada Department of Health and Human Services, Division of Child and Family Services will accept applications for the online programmatic reporting, monitoring and maintenance of the online reporting systems for various grant-funded projects.

Funding Source	Approximate Number of Projects	Approximate Funding
Domestic Violence (DV)	30	\$ 25,000
Victims of Crime Act (VOCA)	35	\$ 65,000
Title IV-B, Subpart 2 (IV-B)	30	\$ 32,000
Independent Living (IL)	15	\$ 30,000
Total	110	\$152,000

Please contact Debbie Tanaka at 775-684-7946 if you would like a copy of the regulations for any of the above funding source(s).

This announcement is to implement a funding process that combines application review and grant allocation among funding sources administered by the DCFS Grants Management Unit (GMU). The intent is to streamline the process, with a single RFP to incorporate multiple funding sources. Collective review of applications will facilitate a broader understanding of available resources and opportunities for collaboration.

The successful applicant will be expected to provide monthly timesheets with an explanation of services provided for the time in which funding is requested for reimbursement.

Eligibility

All non-profit and public agencies (including state and local governmental agencies, universities and community colleges), can apply if interested in providing services under these funding sources.

Applicants interested in applying for funding from more than one grant source must provide separate and distinct information with sections clearly identified by grant type (DV; VOCA; IV-B; IL) to include details required for each grant type.

Insurance Requirements

Providers will be required to secure, maintain and pay for insurance coverage as determined by the Risk Management Division which may include but is not limited to: Workers' Compensation, General Liability and Professional Liability. Evidence of insurance is mandatory and must be submitted with the application to avoid rejection.

Match Requirements

Applicants must have a record of providing effective services and financial support in the amount of 20% of the total project from non-Federal sources for Domestic Violence (DV) and Victims of Crime Act (VOCA) and 25% for Title IV-B, Subpart 2 (IV-B) and Independent Living (IL).

Please see the Federal calculations of match below:

DV and VOCA:

Amount requested divided by .80 = Total Program Cost Program Cost multiplied by .20 = Match

DV and **VOCA** Example:

\$10,000 requested divided by .80 = \$12,500 (Total Program Cost) \$12,500 (Total Program Cost) multiplied by .20 = \$2,500 (Match)

IV-B and IL:

Amount requested divided by .75 = Total Program Cost Program Cost multiplied by .25 = Match

IV-B and IL Example:

\$10,000 requested divided by .75 = \$13,333 (Total Program Cost) \$13,333 (Total Program Cost) multiplied by .25 = \$3,333 (Match)

Awarding and Funding Process

DCFS staff along with application review subcommittee members will review and evaluate each application based upon the GMU Scoring Matrix (Attachment A). The review process will include a technical review of applicant information, executive summary, time table and budget forms. Limited opportunity will be provided for applicants to correct any technical problems related to their applications.

GMU staff will conduct negotiations with the applicants recommended for funding, to address any specific issues identified by the GMU or review subcommittee. Not all applicants who are contacted for final negotiation will receive an award. All questions and concerns must be resolved before a grant will be awarded.

Applicants will be notified of their status with a Letter of Intent after decisions have been made. Adjustment of budgets and goals may be required at that time. Upon successful conclusion of negotiations, GMU staff will complete and distribute Notice of Sub-Grant Award (NOSA) documents, general conditions, and grant instructions to sub-grantees.

Decisions will be based on GMU and subcommittee recommendations which will be provided to the Administrator of DCFS for final approval. There will be **no appeal process**.

Satisfaction Survey

The Division's sub-grantees will participate in providing feedback on the communication with the successful applicant through annual satisfaction surveys.

- 3. DCFS in coordination with the GMU and the grants application subcommittee, reserves the right to reject any and all proposals or waive any minor irregularity or technicality in proposals received.
- 4. As the best interest of DCFS may require, DCFS may make an award for up to three years, dependent upon available funding. Each year of the award requires a year-end close out. If an organization is unable to expend the approved budget of Year 1 by the end of Year 1, a letter requesting to re-award the remainder of the approved Year 1 budget must be submitted along with a revised budget for Year 2 in order to be considered for the re-award. Requests for re-awarding of

previous year funding and revised budgets must be submitted with the final Monthly Financial Status and Request for Funds Report form for the previous grant year.

Upon Approval of Award

A. Monthly Financial Status and Request for Funds Report filing

Monthly reports are required even if no reimbursement is requested for a month. Instructions and technical assistance will be provided upon award of funds.

A copy of the detailed billing matching the reported expenditures must be submitted with the Monthly Financial Status and Request for Funds Reports.

B. On-Site Review

On-site reviews are intended to provide ongoing technical support to sub-grantees and gather information reportable by DCFS to the federal granting agency. To facilitate the review process, materials referred to in the review documents should be gathered prior to the review. The sub-grantee's primary contact person and appropriate staff should make themselves available to answer questions and assist the on-site reviewer(s) throughout the process.

The on-site review reports along with a letter identifying necessary action items will be sent to your agency within 30 working days following the conclusion of the on-site review.

If grantee does not identify the workplace at the time of the application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in the office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
- 6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other areas where work under the grant take place. Categorical descriptions may be used (e.g. all vehicles of a mass authority of State highway department while in operation, State employees in each local unemployment office, performance in concert halls or radio studios).
- 7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s) if it previously identified the workplaces in question (see paragraph five).
- 8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to the certification. Grantee's attention is called, in particular, to the following definitions from these rules:

Controlled substances means a controlled substance in Schedules I through V of the Controlled Substance Act (21 U.S.C. #12) and as further defined by regulations (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of Nolo Contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statues;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (I) All direct charge employees; (II) All indirect charge employees under their impact or involvement is insignificant to the performance of the grant; and (III) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the payroll of the grantee (e.g., volunteers, even if used to

meet a matching requirements consultants or independent contractors not on the grantee's payroll; or employees of sub-recipients or subcontractors in covered workplaces).

Alternate I - Grantees Other Than Individuals

The grantee certifies that it will continue to provide a drug-free workplace by:

- (b) Establishing an ongoing drug-free awareness program to inform employees about:
 - (1) The dangers of drug abuse in the workplace;
 - (2) The grantee's policy of maintaining a drug-free workplace:
 - (3) Any available drug counseling, rehabilitation, and employee assistance programs;
 - (4) The penalties that may be imposed upon employees or drug abuse violations occurring in the workplace;
- (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
- (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:
 - (1) Abide by the terms of the statement; and
 - (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction.
- (e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- (f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d) (2), with respect to any employee who is convicted:
 - (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by Federal, State, or local health, law enforcement, or other appropriate agency; Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
- (g) The grantee may insert the space provided below the site(s) for the performance of work done in connection with the specific grant:

Certification Regarding Environmental Tobacco Smoke

Public Law 103-227, Part C – Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (ACT), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision or health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. <u>Certification Regarding</u> <u>Equal Treatment for Faith-Based Organizations</u>

A final rule of the Department of Health and Human Services (DHHS) went into effect on August 16, 2004, which created, among other things, a new Part 87 Equal Treatment for Faith-Based Organizations, and revised the Department's uniform administrative requirements at 45 CFR Parts 74, 92 and 96 to incorporate the requirements of Part 87.

The Administration of Children and Families (ACF) is committed to providing State Administrators, State Grant Managers and subsequently sub-grantees with the most accurate and concise information to help guide program activities. This regulation addresses several key Equal Treatment issues that require full compliance by Federally-funded State Programs, sub-grantees, grantees and contractors.

Issues include:

- Nondiscrimination against religions organizations;
- Ability of religious organizations to maintain their religious character, including the use of space in their facilities, without removing religious art, icons, scriptures, or other religious symbols;
- Prohibition against the use of Federal funds to finance inherently religious activities, except
 where Federal funds are provided to religious organizations as a result of a genuine and
 independent private choice of a beneficiary or though other indirect funding mechanisms, such as
 certificates or vouchers; and
- Application of State or local government laws to religious organizations.

NOTE: Neither the Department (DHHS) nor any State or local government and other intermediate organizations receiving funds under any Department (DHHS) program shall, in the selection of service providers, discriminate for or against an organization on the basis of the organization's religious character or affiliation.

It is imperative that State sub-grantees, grantees and contractors policies reflect the Equal Treatment Regulations. The full text of the final rule may be accessed via the Internet at http://www.hhs.gov/fbci/regs.html

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 45 CFR Part 87, Equal Treatment for Faith-Based Organizations as revised in the Department's uniform Administrative requirements identified above. Any organization that fails to file the required certification shall be subject to disqualification of their application.

Attachment B

Budget Definitions and Format Guidelines / Examples

Personnel: Staff members who are employees of the applicant organization should be identified here.

Fringe Benefits: List each position and provide a breakdown of the amounts and percentages comprising the fringe benefits provided such as health insurance, FICA, etc.

<u>Contractual:</u> Project workers who are not employees of the applicant organization should be identified here. Any costs associated with these workers, such as travel or per diem, should also be identified here. Identify and justify the costs by explaining the need and/or purpose for the contractual/consultant service.

Operating:

Occupancy: Identify and justify any facilities costs associated with the project, such as rent, maintenance expenses, insurance, as well as utilities such as power and water. Costs for installing or maintaining services specifically for this project purpose can be charged accordingly.

Communications: Identify and justify any communications costs associated with the project, such as telephone services, internet services, cell phones, fax lines, etc.

Supplies: List and justify tangible and expendable property, such as office supplies, program supplies, etc. As a general rule, specific supplies do not need to be priced individually, but a list of typical program supplies is helpful. Items that have particularly high costs should be identified specifically.

Travel: Travel costs must provide direct benefit to this project. Identify staff that will travel, the purpose, frequency, and projected costs. State rates for mileage (55.5 cents per mile) per diem and lodging (U.S. General Services Administration rates) should be used. Out of state travel, or non-standard fares or rates require special justification and must adhere to the U.S. General Services Administration rates.

Public Information: Identify and justify any costs for brochures, project promotion, media buys, etc. DCFS, ML, VOCA and FVPSA should be identified as a funding source as appropriate.

Background checks: For staff and/or volunteers who work directly with clients, a background check is required. You may request funding for background checks in your proposal under the Operating Category.

Equipment: List equipment to purchase or lease costing \$1,000 or more, and justify these expenditures. "Equipment" costing less than \$1,000 should be listed under "Supplies." Equipment that does not directly facilitate the purpose of the project, as an integral component, is not allowed. Equipment purchased for this project must be labeled and tracked as such. Refer to specific grant requirements under Attachments B, C and D for additional restrictions.

Other:

Identify and justify these expenditures, which can include virtually any relevant expenditure associated with the project, such as audit costs, car insurance, client transportation, etc.

Note: In the event of disallowed federal or state expenditures, these expenditures shall not be reimbursable.

Match:

Match can include: in-kind contributions, volunteer services, cash contributions or other non-federal funding. When costing out volunteer time, remember to calculate the cost based on the <u>duties</u>, not the volunteer's qualifications. Match type and amount must be detailed in the budget justification.

Budget Narrative and Budget Request and Justification Instructions

Provide an explanation / justification for each expense listed in the budget detail for each category. Ensure that the budget items are clear and appropriate for the project. Include fiscal management capacity of your organization with an overview of internal controls.

Separate Budget Request and Justification Forms must be completed for each funding source in which the agency/organization is requesting funding.

Note: In the event of disallowed federal or state expenditures, these expenditures shall not be reimbursable.

Additional Resources (In-Kind, Volunteer or Cash Donations)

Additional resources are not required as a condition of these grants but will be a factor in the scoring. Such resources might include in-kind contributions, volunteer services (requirement for VOCA funding), or cash contributions. In-kind items must be non-depreciated or new assets with an established monetary value

Definition of In-Kind: Any property or services provided without charge by a third party to a second party are in-kind contributions.

When costing out volunteer time, remember to calculate the cost based on the <u>duties</u>, not the volunteer's qualifications. For example, an attorney may donate his or her time to drive clients a certain number of hours per month but the donation are to be calculated on the normal and expected pay received by drivers, not attorneys!

Match is not required for each category and does not need to be met within the category / categories in which funding is requested. For example, Personnel grant funds can be requested and match may be met with resources that fall under the Operating category.

Program Income

Program income means gross income earned by the recipient that is directly generated by a supported activity or earned as a result of the grant award. For programs receiving federal funds, program income shall be added to funds committed to the project and used to further eligible project or program objectives.

BUDGET REQUEST AND JUSTIFICATION INSTRUCTIONS AND INFORMATION
